Subject: Marvin Black Partnering Award (Lt Michael P. Murphy Training Pool), Newport Navy Base

On behalf of Consigli Construction would like to thank the entire team that was involved with the construction of the Lt. Michael P. Murphy Training Pool. We have been recently awarded the Marvin Black Partnering Award which honors a project that followed a path of partnering and team involvement from start to finish. This is a national award and one we are extremely proud of.

Named for AGC's 1991 President Marvin M. Black – an ardent supporter of the partnering process – the Marvin M. Black Excellence in Partnering Awards recognize the successful partnerships and collaborations that work to improve construction projects. Contractors honored with this award stand out for their ability in the following areas:

- Achieving a common goal
- Honoring all stake holders
- Resolving Conflict
- Improving communication on the project with all audiences
- Incorporating team-building activities

The Marvin M. Black Excellence in Partnering Award recognizes general and specialty contractors working as prime contractors for projects completed in a calendar year. It is given to a mere handful of firms after a nationwide call for entries.

There were a lot of people involved with this project that made it a success, if you see a name missing from this e-mail please forward this on and extend my apologies.

Thanks Again
